

Statistical Society of Australia Equity Membership Scholarships

The entire form should be one page or less. Please do not change the margins, line spacing or font size. You can delete explanatory text in italics. Names of Equity Membership Scholarship recipients will not be made public.

Name:

Email address:

Please tick the following boxes to confirm that you are eligible for this scheme:

- I am not eligible for student membership, transitional membership, early career or retired membership of the SSA.
- Paying the full SSA membership fee (\$250 per year) would lead to financial hardship (that is, I would need to cut back on other spending to afford the fee).

Successful applicants are invited to take part in SSA's Mentoring Program as a mentee. Are you interested in taking part in the Mentoring Program?

- Yes, if successful, I would like to take part in the next available SSA Mentoring Program as a mentee.

Your career in statistics

Please include:

- *A brief summary of your career in statistics to date.*
- *A brief description of what you enjoy about your work in statistics.*

What benefits SSA membership will bring to you and your career

Please describe:

- *the SSA membership benefits that you will take advantage of;*
- *how SSA membership will benefit your career.*

Why are you interested in taking part in the Mentoring Program? (If you're not interested in taking part, please briefly describe why.)

Please send the completed form to eo@statsoc.org.au.
